

Smith Elementary PTA Legacy Art Tile Project

Smith Elementary will leave a lasting impression on your child. Now is the time to have your student do the same! Your student, or your family, can purchase an art tile (or multiple tiles) to be permanently affixed to our school. Each purchased tile will receive a paint pallet and a 6" x 6" blank tile to create an art masterpiece. The tiles will be permanently placed at the school so students and families can revisit their masterpieces now and into the future.

Please practice your art in the box below. Bring this paper to the event for reference.

Order Form: Please cut and return this portion to your teacher or to the office by April 24.

Pre-sale tile cost is \$25 by April 24. Tiles purchased at the event will be \$30 each.

Tile painting event: Thursday, May 2 1:30pm-4pm in the MPR.

Adult supervision required: this is not a drop-off event.

Cost includes tile and use of paints and stencils.
