

2020-2021 Interest Survey for PTA Executive Board Officers

The nominating committee is considering the slate of officers for the 2020-2021 term. Every position is a one-year term and officers can be re-elected for a second term, so all positions are considered open until the election takes place. The nominating committee will consider those who wish to return to their positions as well as new candidates who wish to be a part of the Executive Board. If you'd like to be considered for an Executive Board position, please fill out this form and turn it in to the office by December 19th, 2019. You can also email it to our Parliamentarian Jenny Olson at parliamentarian@smithpta.org.

Executive Board members are expected to fulfill their roles as outlined on the www.capta.org website as well as attend monthly Executive Board and Association meetings at Smith. These meetings are each approximately one hour long and take place during the school day (with the exception of two of the association meetings which are held in the evenings).

A member of the nominating committee may contact you to discuss your interest further. Completion of this document should not be construed as a nomination or appointment to any office.
